Assignment # 6

Project report

Instructor: Sam Palermo
ECEN-474
November 11, 2010

Due: November 19, 2010, 9:10 A.M.

Submit a progress report that includes:

   a) Statement of the problem you are addressing
   b) Discussion on project issues: bottlenecks.
   c) Discuss the rationale behind your proposed solution(s).
   d) Describe the current status of the project

I need 1 report per team.

Be concise but clear in your report! 3-5 pages (total) should be enough.
